

### **Trip Summary**

Our Trip this year will include trips during the week and weekend. Most colleges no longer allow College tours to be taken during the weekend so we had to get permission from the universities and ask our students who are current students at our universities to host our tours.

This is the first year we will offer trips on teacher work days. These trips will give our students the ability to sit in on a college class and see the college the way a student sees them. This year JSTP will offer students the ability to see 14 Historically Black Colleges and Universities and at least 12 Predominantly White Universities.

Our Spring break trip will give student the opportunity to see Past, Present and Future sights while touring colleges. We will visit the Virginia, DC and Maryland area . We plan to see the sights in all three states and visit our Senate and Congressional members. The Spring break trip can be paid in installments from September - March.

Virginia Tech/Radford trip is a great opportunity to see how strong of a candidate(even if this is not your school). J.S.T.P partnership with Virginia Tech allows anyone who applies under our authorization to receive a free application fee waiver. They may also receive an acceptance during the campus visit and enjoy a weekend at the university. **(Admission criteria to be announced)**

- **All trips will depart and return from the University Park Baptist Church on Beatties Ford Road.**
- **All trips except of the September trip must be paid at least two weeks before the date of travel.**
- **Single Day trips - \$55.00**
- **Overnight trips - \$145.00**

\*\* Note \*\* All trips have a 25\$ no refundable fee..

\*\*\* The Spring Break can be paid in installments.

- **Trips can be paid on the company website @ [www.jstpcollegeprep.com](http://www.jstpcollegeprep.com) or by mail to:JSTP College prep**

7310 Middlebury Place  
Charlotte NC, 28212
