

Mecklenburg County
Park and Recreation

January 11, 2020

Dear Admissions Counselor:

Juniors and Seniors Transitional Program (JSTP) in collaboration with Mecklenburg County Park & Recreation at Tyvola Senior Center is holding the 3rd Annual College Fair on Wednesday, February 26, 2020. This educational opportunity is a major event for talented college bound students in the city of Charlotte, North Carolina and vicinity. We expect over 200 students from the cities High Schools to attend. The College Fair is an opportunity to meet hundreds of underrepresented students and to help them learn about your institution.

Event Details are as follows:

When: Wednesday, February 26, 2020
Registration & Set Up: 5:00pm – 6:00pm
Fair Time: 6:00pm – 8:00pm

Where: Tyvola Senior Center
2225 Tyvola Rd
Charlotte, NC 28210

Directions: On Tyvola Rd between Park Rd and South Blvd;
Next to Queens University Sports Complex and
Marion Diehl Recreation Center

Cost: Free to the Institution and Students

We sincerely hope that your Admissions Office will be represented at the 2020 College Fair. Your participation will have a significant impact on our students as they prepare for the college admission process.

Please complete and return the registration form to one of the email addresses listed below by February 21, 2020. Late registrations may be accepted provided there is space available.

If you should have any questions, please do not hesitate to contact via phone or email:

JSTP founded in 1998 is an inclusive program for all high school students. With a focus on the most pivotal years of high school, the program serves as an outlet to help reduce the stress of the college admission process by providing students with the necessary resources and the exposure needed to combat the uneasiness of the admission process. Through hands on experiences such as college campus visits, community involvement, professional development workshops, and mentorship opportunities, students are prepared to meet the demands of the college environment.
